Instructor-Ronald C. Lippy

Ron's background encompasses significant expertise with thirty plus years in ISI/IST Coordination and diverse technical experience in nuclear power plants. Ron's focus on strengthening and standardization of Engineering Program positions has advanced nuclear power throughout the entire industry. He currently serves on the ASME/OM Main Committee and numerous sub-committees. Additionally, Ron is integrally involved in the Inservice Testing Owners Group (ISTOG) and has performed Inservice Testing related assessments and training for the majority of U.S. Nuclear Utilities.

Note: Ron will be available after the class on Thursday if further questions or discussion is desired.

Note: Additional information on Ronald C. Lippy and the Courses offered may be found at the link above or through True North's website at: northconsulting.com.
